Everybody's friend															
HK-51*	unknown	droid	M	unknown	unknown	Strength	Endurance	---	---	---	+2 cybertech, +2 Artifice	---	bad shots	dead meatbags	

* This character is not currently available as an awarded companion. While reference to him exists from deep data mining, Daniel Eriksson has confirmed there he won't be available in the near future.

Legend

(F) - Force user	Companion is a Force user, able to use variety of force powers in attack
▼ M or F	Romanceable character for M - male or for F - female toons
RT - Ranged Tank	Stances, attacks and gear that draw aggression. Includes powerful blasts. AoE attacks and attacks that pull mobs into melee range.
MT - Melee Tank	Multiple ways to draw fire, as well as powerful close-range attacks
RD - Ranged DPS	Two attack stances: Sniper- focuses on gun attacks - most effective for one-on-one combat; Assault- utilises explosive attacks - most effective against groups
MD - Melee DPS	Emphasis on close range attacks, inc. lightsabers, vibroblades or electrostaffs, flamethrowers, oil slicks and other wrist mounted weapons
H - Healer	Restores health through field dress and kolto pack, later will unlock control abilities (eg carbonized stream, where companion assigned to focus on keeping an enemy out of combat)

* not an actual gift, capisce?
