NORMAL					
Rattlegore	*rep	☐	Kill Rattlegore for quest *Aberrations of Bone*	*The Argent Dawn*	* [2000 rep with Argent Dawn] starts Lord Raymond George in Light's Hope
Lilian Voss		read	The Invasion of Draenor	*Well Read*	on the ledge behind Gandling *(other books have been removed)*
Darkmaster Gandling		☐	Defeat Darkmaster Gandling	*Scholomance*	completing Heroic also completes Normal
		☐	Complete the achievement *Scholomance*	*Classic Dungeonmaster*	
HEROIC					
Jandice Barov	★	☐	Defeat Barov without eliminating a false image	*Attention to Detail*	• at 66% and 33% Barov makes 15 copies of herself • eliminate the one with black hair *(not grey)*, black tiara *(not red)*, black belt *(not purple)* & black garter *(not orange)* • the macros at http://www.wowhead.com/achievement=6531#comments create large portraits that greatly assist recognition of these details • Hunter's can apply Hunter's Mark. The mark disappears but talents allow them to see a ghosted image of Barov hiding behind the right duplicate. (Rogues may also be able to use Vendetta)
Rattlegore	★	☐	Defeat Rattlegore without allowing him to gain more than 5 stacks of Rusting	*Rattle No More*	• Rattlegore gains 1 stack of Rusting for every successful melee attack • each stack reduces mvmt speed by 5% & increases dmg by 15% (lasts 15 sec) • either kite him or use two taunts in diagonal corners of the room • keeping his stacks at 3-4 to reduce movement speed can be helpful
	*rep	☐	Kill Rattlegore for quest *Aberrations of Bone*	*The Argent Dawn*	* [2000 rep with Argent Dawn] starts Lord Raymond George in Light's Hope *(pre-reqs required, see Argent Dawn Zag)*
Butcher's Sanctum	★	☐	Defeat a Krastinovian Carver that has 99 stacks of Boiling Bloodthirst	*Sanguinarian*	• stacks of Bloodthirst jump from one Carver to another if they are close enough when they die • aoe at least 10 Carvers, most strats just pull the whole room
Lilian Voss		read	The Invasion of Draenor	*Well Read*	on the ledge behind Gandling *(other books have been removed)*
Professor Slate	★	☐	Get Polyformic Acid Potion & vials from Professor Slate	*Polyformic Acid Science*	• click the potion on the table to get a disguise • click on the empty potion bottle in your inventory to store it • click the potion bottle again to get a 60 min disguise + 3 stored uses
Darkmaster Gandling		☐	Defeat Darkmaster Gandling	*Heroic: Scholomance*	
		☐	Complete the achievement *Heroic: Scholomance*	*Pandaria Dungeon Hero*	
	★	☐	Defeat 50 Expired Test Subjects within 20 seconds	*School's Out Forever*	• Gandling teleports each player in turn, into a room with 10x Expired Test Subjects and some Failed Students. • Kill the Failed Students then wait for the last member's door to open. • Meet in the middle area and aoe the test subjects down • there are exactly 10 Test Subjects in each room, so all 5 players need to be teleported and none can die • Small adds spawn near Gandling that will need to be managed in the interim, either by kiting around the top or killed by remaining dps
